Madam:

The Public Service Commission has received BellSouth's Petition filed March 4, 2008 requesting to protect as confidential, certain information contained in its Responses and Objections to dPI's First set of Requests for Information, specifically: Response to Nos. 1-3, 1-16, 1-18 and 1-22. This information is identified in the Petition as containing customer specific and confidential business information.

A review of the information has determined that it is entitled to the protection requested on the grounds relied upon in the Petition, and it will be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

  
for Beth O'Donnell,
